## EJ JANIK, CPA, CFF, CFE

Mr. Janik\* is a Certified Public Accountant in the State of Texas. He holds a Master of Science in Accounting from Louisiana State University and a Bachelor of Commerce from Rice University. He also attended Loyola University. At LSU, he received the LSU Department of Accounting Special Appreciation Award and the Beta Gamma Sigma Graduate Award. Mr. Janik's training and education includes over 2,900 hours of continuing professional education.

Mr. Janik has significant public accounting and financial consulting experience, which includes working for Fortune 500 companies, public, and private entities in a variety of industries including, but not limited to: manufacturing, wholesale, food industry, engineering/construction, environmental, real estate, securities, oil and gas, communications, distribution, transportation, energy, paper, software, medical, estates, insurance, trucking, banking and public/private foundations, among others.

Mr. Janik has worked on 150 financial audits, over 730 business dispute and consulting matters, and has testified in over 86 matters, including over 54 trial/hearing testimonies in eight states (11 federal, 21 state, 22 arbitration).

Mr. Janik is a Principal and Practice Leader with Ryan Fraud and Forensic Recovery LLC (Ryan is not a CPA firm). Mr. Janik is also President of Janik Forensics PC, a certified public accounting firm. His experience includes over seven years with an international public accounting firm, involving financial audits and consulting assignments. His consulting experience includes five years with the then largest full time consulting/dispute resolution firm having held the position of Vice President and Executive Consultant. He also served as Vice President of a state-wide CPA firm.

Mr. Janik has specific experience assisting clients and their counsel in resolving business disputes. He has consulted and testified on financial and management matters for clients, committees and attorneys. His experience includes business dispute consulting, the analyses as to fact and damage issues, economic modeling of costs, lost profits, business reorganization consulting, and document management. These types of engagements involve the following matters: antitrust/pricing issues, audits, bankruptcy analyses, business interruption, business valuations, construction claims, contract disputes, cost determinations, criminal investigations, damage analyses/critiques, debt and capital analyses, dispute resolution, due diligence, energy, environmental claims, feasibility studies, forensic accounting, GAAP, GAAS, fraud analyses/investigations, hazardous waste/remediation, insurance claims, lost profits, mergers and acquisitions, real estate, royalties/commissions/income, solvency, Superfund/environmental claims, tracing, valuations, wastewater, and white collar crime investigations, among others.

The fraud related engagements also relate to: check kiting, unauthorized transactions, embezzlement, credit card transactions, altered bank related transactions, and questionable payments/disbursements, among others.

Mr. Janik is licensed by the Texas State Board of Public Accountancy and is a member of the *American Institute of Certified Public Accountants* and the *Texas Society of Certified Public Accountants*. He is a CFF, Certified in Financial Forensics by the AICPA, and a member of the Forensic and Valuation Services (FVS) section. He is a Certified Fraud Examiner (CFE) and a member of the *National Association of Certified Fraud Examiners*. He is a member of FEWA (*Forensic Expert Witness Association*). He is a Certified Forensic Litigation Consultant (CFLC). He is an associate member of NACVA (*National Association of Certified Valuators and Analysts*) and IBA (*Institute of Business Appraisers*).
